## President's Message

Did you ever wonder what makes people do what they do? Does some clever orator persuade them either by persuasion or coercion? Are they inspired by the possibility of fame or fortune? Whatever the reason, our members have done it again this year. Jay Johnson displayed cattle at the Western National at Denver in January. Kevin Wolf organized the show at Quincy, Illinois in July. Merrie and Fred Nimmer pulled together the second annual show at the World Beef Expo in Milwaukee in September. Howard and Susan Bycroft supervised the display at Springfield, Missouri in October. Glenn and Robin Wenger once again produced the show and Annual Membership meeting at Harrisburg, Pennsylvania in October. Each of these members took it upon themselves to promote our breed of cattle. Other members chose to participate in these events.

New board members elected at the Annual Membership meeting are Marie Allen, Merrie Nimmer, and DuWayne Wolber. A big **Thank You** to retiring members Jay Johnson and Kevin Wolf for all of their contributions. Even though they are not on the board, I expect they will continue to promote our cattle.

A presentation was made at the Harrisburg board meeting detailing the facts of developing E.P.D.'s. The board of director's will be discussing this subject at it's winter meeting.

Don't forget to put that advertising program together and implement it for your spring sales. Last year the demand in some areas was greater than the supply. Let potential customers know what you have.

As always, if you have ideas or questions, please talk to a board member. If it requires board action, we can discuss it in our winter meeting.

Merry Christmas and Happy New Year.

## Goodbye to Theron Keller

Mr. Teron Keller passed away earlier this fall doing what he loved to do, work outside among his American British White Park cattle. His family must sell his cattle to settle his estate. If you are looking for some Registered American British White Park cattle they have 17 bred cows and heifers, 9 spring heifer calves, 2 spring bull calves and 1 service age bull. For more information contact: Gordon Keller at 608-647-6058 at Richland Center, WI. Mr. Keller will be greatly missed by the ABWPA and the cattle industry.
