## HALL of FAME

In 2005, Avergne Jackson was our first member inducted into our Hall of Fame. At this time, the Board of Director's is accepting nominations from the membership for candidates for the 2007 recognition.

All who are to be considered must have been a member for the past 5 years. The individual should demonstrate leadership within our organization. Another quality would be the promotion of the breed. This might include organizing or participating in shows and sales whether on the national, state or local level. Perhaps this individual advertises his operation and the breed thus promoting the breed. The last qualification is that the individual is NOT currently a member of the Board of Director's.

Nominate yourself or someone else. Send in a name and your reasons why this person should be inducted in the Hall of Fame. Send your nomination to Sherry at the Office or to Larry Fedler. Deadline for nominations for this year is June 1, 2007

Larry Fedler
