

2010 National Show

New York State Fair
September 3 - 6
Syracuse, New York

For the first time our National Show will be held in conjunction with the New York State Fair. White Park cattle have been showing at the fair for a number of years, at first under AOB and then last year as our own show. The feedback from the exhibitors that showed at the fair last year was extremely positive. The facilities are great and the fair staff very helpful.

Cattle are due in by Friday September 3 at 9:00 AM. On September 2 you can arrive between 4:00 PM and 9:00 PM. The cattle are released on Monday September 6. The show will be held Saturday September 4 at 2:00 PM

For a premium list and health requirements go to www.nysfair.org. Entry deadline is August 2 so act soon.

Special junior exhibitor perks!

All registration fees for cattle shown by juniors will be reimbursed. Each junior will receive \$25.00 cash in addition to regular premiums for each animal shown. Also for each animal that a junior shows you name will be entered in "the hat" for the chance to win a free heifer given away by Larry Fedler of West Point Iowa.

A block of rooms has been set aside at the following hotel. When contacting the hotel mention "White Park"

Clarion Inn

100 Farrell Road
Syracuse, NY
