MEMBERSHIP DIRECTORY

Because of other projects that were happening in the office this spring the Executive Committee has decided that we would not publish the hard copy of our Directory this year as it would get to late into the year. We plan to publish it as the 2012 - 2013 directory in April of 2012. I apologize for those who were looking forward to the print version.

As stated in another section of this Journal the website membership directory is up to date, please check your listing for accuracy and let the office know of any changes that need to be made.

We will be soliciting advertising space in the 2012 - 2013 directory when we mail the 2012 dues statement. We hope you will consider supporting this project next year.
