

2011 National Show

October 6th - 9th
Harrisburg, PA

The Keystone International Livestock Exposition is recognized as one of the premier livestock shows in the east and this year is home to our National Show. The show routinely has more than 3000 livestock entries including 1000 beef animals.

We invite you to come and participate and market your cattle through this show event. In the past this has been a great show to sell cattle.

Cattle must be in place by Noon on Thursday October 6th. Show day is Friday October 7th at 12 Noon. Entry deadline is August 31, 2011. Show web site is keystoneinternational.state.pa.us/

Juniors that show at this show will have the name put in "the hat" for the chance to win a heifer donated by Larry Fedler of West Point, IA. One chance will be entered for each animal that a junior shows.
